

## Repentance

This outlines the Hebrew aspects of repentance.

1. Nefesh – come into complete rest; step through the veil
2. Ruach – the wind of God; empowers you to move in the right direction; walk towards Him; turn towards His faces. YOD HEI VAV HEI
3. Shamma – breath of God restores us; allow the Holy Spirit to blow in and around you
4. Chayah – turn towards God (Hebrews don't classify sin)
5. Yecheda – union with God; wonderment of His love and grace; draws you into Him; return to the perfect state of awe; He's ready to give your life for another

TURN TOWARDS MY FACES  
WALK TOWARDS THEM  
AND I WILL MAKE YOU FLAWLESS

You become what you look at.

For sin, being hurt and for everything...use this pattern.

TURN TOWARDS GOD
